

MANAGING RISK IN TIME OF UNCERTAINTY

Montana Grain Growers Association Conference Virtual December 1-2, 2020

You are invited to join us online for MGGA's 65th Annual Conference! Because of COVID-19 event restrictions, and our foremost concern for the health and safety of our members, our annual meeting has moved from an in-person to a virtual format. We've put together a short but informative program that we think you'll find valuable. All MGGA members and interested parties are invited to attend free of charge. By mid-November, all members will receive by email a link to join each meeting from their home computer or device.
