## 2021 Montana Legislative Update – Week 8

---

February 26, 2021

### The week before Transmittal

This week has been a full week. John Semple testified in several committees, I testified on a couple of work compensation bills and President Konen on some irrigation bills. A couple officers testified on HB [554](#)-Require legislative approval of national heritage areas, historic trails, just this evening. The work comp bills came on very quickly and I reached out to Montana State Fund to learn how it would impact MGGA members. MGGA supports maintaining the worker's compensation fund as a state program and we rose in opposition to HB [511](#), HB [512](#), HB [513](#), HB [514](#) and SB [322](#).

MGGA also spoke with Lt. Governor Juras in regards to SB [181](#), the corporate tax modernization bill that MGGA opposed a couple weeks ago. More to come on that.

Transmittal Break is next week. That is where any general bill that does not have money attached to it, must be transmitted by the 45 legislative day. Bills all have to complete a hearing, pass out of committee and pass second and third reading on the chamber floor and sent to the second chamber. We shall see what the weekend brings and early next week...stay tuned!

A few numbers for you...

Total bills introduced:  
House = 643  
Senate = 477

Total number of bill requests = 3,355

Total number of unIntroduced bill requests = 2,235

3,355 total bill requests

1,120 introduced bill requests (House = 643, Senate = 477)

---

2,235 unIntroduced bill requests
