TRADE SHOW GUIDE INFORMATION SHEET

Thank you for your commitment to participate in the 2021 MGGA Convention and Trade Show. We invite you to showcase your business in this year's Trade Show Guide, which be published on our website for easy access from convention attendees and trade show visitors. To take advantage of this opportunity, please provide a 50 word or less company description. Thank you for your support!

Description:

check here if information is the same as last year

Reasonable care will be exercised to provide for the protection of exhibitor's equipment and merchandise. Beyond this, the Heritage Inn and/or MGGA, its officers and membership, separately and collectively, cannot accept responsibility for any damage to, or for the loss or destruction of, an exhibit or the property therein from any causes, or injury to any persons resulting from such causes. All claims for any such loss, damages, or injury shall be expressly waived by the exhibitor.

Insurance: Exhibitors shall indemnify and hold harmless MGGA and the Heritage Inn, and their service agents from all liability (damage or accident) which might ensue from any cause resulting from the transportation, placing or removing or displaying of exhibits. Each exhibitor shall secure insurance at his own cost and expense. Usually the exhibitor's insurance broker can arrange, often at no additional cost, insurance coverage desired by the attachment of endorsement or riders to the exhibitor's existing policies.

Defacing of Building: Exhibitors are liable for any damage to building floors, walls or to the standard booth equipment or for damages caused in any manner. Exhibitors may not use nails, screws, or fasteners of any kind or apply paint, lacquer, adhesive or any other coating on building walls and floors or to standard booth equipment.

Fire Laws: Federal, state and city fire laws must be strictly observed. All decorative material must be flameproof or fireproof. Wiring must comply with fire department and other applicable government agency rules and underwriting rules. Aisles and fire exits cannot be blocked by exhibits. No explosives, gasoline, kerosene, acetylene or other fuels or combustibles may be brought into the building.
