

DONATION FORM

"OUR NEIGHBOR'S DAILY BREAD"

A FOOD DONATION PROGRAM
SPONSORED BY THE MONTANA GRAINS FOUNDATION,
THE MONTANA GRAIN GROWERS ASSOCIATION AND
THE MONTANA FOOD BANK NETWORK

This innovative program allows producers throughout Montana to assist in the battle against hunger and receive potential tax benefits at the same time. When a producer sells their commodity (wheat, barley, etc) a portion of that sale can be designated to the "Our Neighbors' Daily Bread" program. The country elevator is then responsible to forward the proceeds, which are handled as commercial sales, to the Montana Grains Foundation.

The Montana Grains Foundation uses the proceeds to purchase locally milled flour products. The flour products are then donated to the Montana Food Bank Network and distributed to Montana's hungry.

I hereby donate the proceeds of _____ to this program.

(Please list number of bushels, tons, etc. and commodity)

I hereby direct the first handler to forward the settlement check to the Montana Grains Foundation for this program.
